

# AUDA StreetScape Update

August 26, 2009

## CONSTRUCTION PROJECT UPDATE

From August 26th–September 2<sup>nd</sup>, please anticipate construction work primarily in the work zones. The traffic detour along High St. will not occur this week.

In spite of some minor schedule delays, Cook Engineering will finish forming for concrete work between Lewis and Linden on High St starting on Wednesday, August 26th. Concrete pouring will start in front of Wells Fargo on Wednesday with curb and gutter concrete work between Lewis and Linden completed by September 2<sup>nd</sup>.

The main PCWA waterline work has been completed and work on the waterline tie-ins are schedule for September 2nd. The City

continues working with the property owners regarding building up-lighting and new underground service conversions. PG&E's undergrounding work continues along Lewis Street and in the Elders Parking Lot. PG&E anticipates working in the alley connecting Lincoln Way to the Old JC Penny parking lot in three weeks.

Linden Avenue is open to traffic and will only have periodic closures to facilitate concrete work. Lewis St remains closed to through traffic. Temporary crosswalks have been installed around the work site to assist with additional school traffic. Additional Police presence is being retained this week to ensure pedestrian and vehicle control. Please anticipate a traffic delay on Saturday, August 29<sup>th</sup> at from 9-11 a.m. due to the Soccer Parade on High St.

The construction remains on schedule. Please remember that businesses are open during construction and there is public parking located on Lincoln Way near Elder's, near Depoe Bay and near E. Placer St.

Public meetings are being held every Tuesday at noon in front of Froggs where questions can be addressed. The merchants and public are encouraged to attend.
